Professional experience

Clinical Assistant Professor

- Clinical faculty in the Department of Surgery (Dentistry, Oral and Maxillofacial Surgery) at Weill Cornell Medical College. Major responsibilities include clinical and didactic training in periodontics and dental implantology in the post-doctoral general practice residency program.

September 2021 – Present David Behrman, D.M.D. (Program Director) New York, NY

Periodontist

- Performed all aspects of periodontal care including the placement of dental implants, periodontal plastic procedures, ridge augmentations, sinus floor augmentations, periodontal surgery, as well as non-surgical soft tissue management.

July 2004 – Present Edward Gottesman, D.D.S. P.C. New York, NY

Periodontist

- Performed all aspects of periodontal care including the placement of dental implants, periodontal plastic procedures, ridge augmentations, sinus floor augmentations, periodontal surgery, as well as non-surgical soft tissue management.

April 2009 – February 2011 Steven Cooper, D.M.D., P.C. Roslyn, NY

Clinical Assistant Professor

- Clinical faculty in the Department of Periodontics and Implant Dentistry at the SUNY @ Stony Brook School of Dental Medicine. Major responsibilities include didactic and clinical training in the pre-doctoral program and in advanced education in Periodontology and Implant Dentistry program.

February 2005 – 2009 Vincent J. Iacono, D.D.S. (Program Director) Stony Brook, NY

Periodontist

- Performed all aspects of periodontal care including the placement of dental implants, periodontal plastic procedures, ridge augmentations, sinus floor augmentations, periodontal surgery, as well as non-surgical soft tissue management.

August 2007 – November 2008 Harvey Glicker, D.D.S., P.C. New Hyde Park, NY

Periodontist

- Performed all aspects of periodontal care including complex treatment planning, periodontal surgery and dental implants.

November 2001 – 2006 Personal Quality Dentistry, Rick S. Munter, D.D.S. Jericho, NY

Periodontist

- Performed all aspects of periodontal care including complex treatment planning, periodontal surgery and dental implants.

February 2003 – June 2005 Brian K. Tanz, D.D.S. and Gerald Wallach, D.D.S. New York, NY

Professional memberships

Associate Fellow of the Foundation for Oral Rehabilitation (FOR), since 2013

International Team for Implantology, since 2013

Fellow of Philippine Academy of Implant Dentistry (PAID), 2011-2013

Fellow of International Congress of Oral Implantologists, since 2011

Donated Dental Services (DDS), since 2010

Amtrak Police Lodge #189 Labor Committee, since 2010

Computer Aided Implantology (CAI) Academy, since 2010

Fellow of the New York Academy of Dentistry, since 2013 (associate of the New York Academy of Dentistry since 2009), Education Committee (2010-2011), Ethics Committee (2009-2010)

Associate of the New York Academy of Dentistry, since 2009, **Dinner Committee** (2009-2010), **Education Committee** (2010-2011), **Ethics Committee** (2009-2010)

Fellow of the International Academy for Dental-Facial Esthetics, 2008-2009

Academy of Osseointegration (since 2008), **New Membership and Awards Committee** (since 2010), **Public Relations Task Force** (since 2011)

Founder and President of The New York Dental Project, 2007-2009

New York City Medical Reserve Corps, since 2007

Lectures/Courses/Meetings

Geistlich Fibro-Gide® Expert Council Meeting, Phoenix, AZ. February 9-10, 2018.

Boston University Study Club, The Cornell Club, New York, NY. March 30, 2016. "Gummy to Glam: Treatments for Excessive Gingival Display."

American Academy of Periodontology Annual Meeting, Orlando, FL. November 17, 2015.
Periodontal/Oral Reconstructive Surgery, Mastering Challenges in the Esthetic Zone: Gummy Smile – "Gummy to Glam."

American Academy of Periodontology, 100th Annual Meeting, San Francisco, CA. September 20, 2014.
Tunneling Options and Alternatives – From Materials to Methods: Acellular Dermal Matrix (ADM) and Minimally Invasive Surgery (MIUS) to Correct Gingival Recession.

Northeastern Society of Periodontists, Marquis Marriott, New York, NY. November 1, 2013. Optimizing Implant and Esthetic Success. Program chair and moderator.

American Academy of Periodontology, Annual Meeting, Philadelphia, PA. September 29, 2013.
"Gummy to Glam: Lip Repositioning and Crown Lengthening to Treat Excessive Gingival Display".

Roth Williams Int'l Society of Orthodontists, Sao Paulo, Brazil. September 1, 2013. Lip Repositioning for Excessive Gingival Display.

Straumann Headquarters, Andover, MA. August 19, 2013. Bone Level Tapered Implant Expert Team Meeting.

Northeastern Society of Periodontists, Marriott Marquis Hotel, New York, NY. April 19, 2013. The Art and Science of Periodontics. Program chair and moderator.

Organogenesis Progenitor Calibration Session, Hilton Garden Inn, Stony Brook, NY. February 26, 2013. "Gintuit™ for Oral Soft Tissue Regeneration." Served as faculty.

Gintuit™ Study Club, Webinar, February 25, 2013. Speaker.

Principal Investigator, NobelReplace Conical Connection Implants, Nobel Biocare Headquarters, Zurich, Switzerland. January 17, 2013. Speaker and contributor.

Organogenesis Progenitor Calibration Session, La Valencia Hotel, La Jolla, San Diego, CA. January 11-12, 2013. "Gintuit™ for Oral Soft Tissue Regeneration." Served as faculty.

Greater New York Dental Meeting, New York, NY. November 28, 2012. "Gummy to Glam: Lip Repositioning and Crown Lengthening to Treat Excessive Gingival Display."

American Academy of Periodontology Annual Meeting, Los Angeles, CA. September 30, 2012.
"Gummy to Glam: Lip Repositioning and Crown Lengthening to Treat Excessive Gingival Display."

Continuing Education Dinner Lecture Sponsored by Keystone Dental, Club A Steakhouse, New York, NY. September 6, 2012.

The New York Academy of Cosmetic Dentistry, Marriot Marquis Hotel, New York, NY. November 29, 2011. "Gummy to Glam".

Philippine Academy of Implant Dentistry (PAID), The Thani Dusit Hotel in Makati City, Philippines. October 16, 2011. "Predictable Implant Placement Using Nobel Guide".

Organogenesis Inc.: Progenitor Advisory Board Meeting, The Clift Hotel, San Francisco, CA. September 23-25, 2011.

OraPharma, Inc.: Periodontal Disease Advisory Board Meeting, The Hilton at Short Hills, New Jersey. June 10-11, 2011.

Simpozijum Stomatologa I Saradnika, Novisad, Serbia. May 28, 2011. "Prosthetically Driven Implant Placement Using Nobel Guide" (1 hour lecture to 750 dentists over Skype).

NYU College of Dentistry, Department of Epidemiology & Health Promotion, February 18, 2011. Conducted seminar series with second year dental students.

Garden State Dental Conference & Expo, Trump Taj Mahal, Atlantic City, NJ. June 11, 2010. "An Alternative to Autogenous Connective Tissue Grafting for Root Coverage." (half day lecture).

Academy of Osseointegration 25th Anniversary Meeting, March 2010. The Formula for Predictable Implant Success. Moderated a limited attendance lecture by Drs. Stephen S. Wallace, DDS and Christen Bruggenkate, MD, DMD, PhD titled "Latest Strategies in Techniques and Materials for Maxillary Sinus Elevation".

NYU College of Dentistry, Department of Epidemiology & Health Promotion, January 22, 2010. Conducted seminar series with second year dental students.

Dr. Sonny T. Oliva's Study Club, New York, NY. November 11, 2009. "An Alternative to Autogenous Connective Tissue Grafting for Root Coverage".
